

The Friends of Huddart and Wunderlich Parks

HIKES • HISTORY • HORSES

Who We Are

The Friends is a nonprofit dedicated to preserving the environment and historic legacies of Woodside parks.

Our volunteers provide . . .

- Nature hikes for K-4th graders
- History field trips for 3rd-4th graders
- Speaker series for the community
- Docent led nature and history hikes for adults and families
- Clean-up projects in the parks
- Architectural and history tours for groups

Huddart Park Nature Hikes

What Teachers Say About Us

"I want to thank you for giving my students a field trip they will never forget. Your vast collective knowledge of the majestic redwoods was inspiring and weeks later my students are still talking about it."

"The kids love being outdoors, and teachers love the fact that it's right in line with our science standards."

"The programs are really stellar and offer such a wide range of experiences to the community."

What We Do

We spark an interest in . . .

- nature and science discovery for 1,000 students each year
- local and California history for 1,200 students each year
- conservation and preservation by adults & children
- history and architecture for 3,300 museum visitors each year
- volunteering in the parks

Hikes with the Friends

Folger Stable Speaker Series: Local Artists

We Give Back . . .

- 1,000 volunteer hours this year
- Scholarships for low-income schools
- Bus assistance for low-income schools
- Projects to improve the parks

Serving more children every year
