Individual Donors...YOU make our work possible!

“Your vast collective knowledge of the majestic redwoods was inspiring...I loved that the students were able to be out in nature and learning. Most of our kids are lower income and do not have this opportunity to be hiking.” ...teachers

“I loved cleaning the saddles and the museum was so interesting...pressing apples was so much fun! It was the best field trip ever because I got to see a real horse.”...4th grade Folger Stable field trip student

“Thank you to the Friends for your focus on preservation and teaching park visitors how they can play a key role in preserving the open spaces.”...donor

The Friends of Huddart & Wunderlich Parks is a nonprofit dedicated to preserving the environment and historic legacies of two exceptional parks in Woodside. We offer hiking field trips, history field trips, maintain the Folger Stable Carriage Room museum, and offer a wide range of community programs. Our programs are made possible by a dedicated core of volunteers, staff, grant partners, and individual donors. Thank you!
