

# 2020 AT A GLANCE

*Challenge as opportunity*

## 6,000

### REASONS TO PIVOT

---

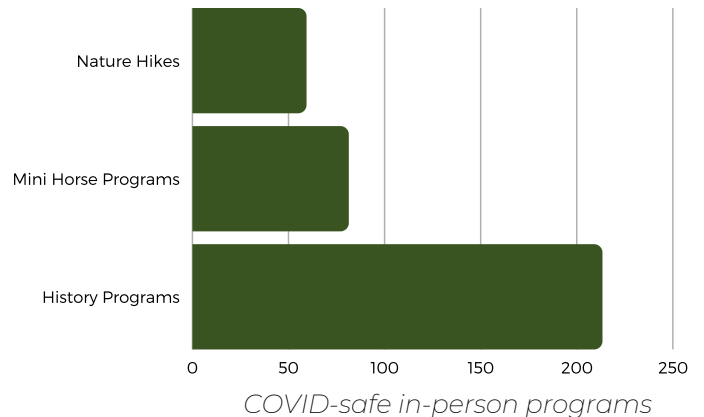

The year 2020 was the most challenging year in our 25-year history. COVID cancellations of nature hikes, field trips, and the closing the Carriage Room Museum, affected more than 6,000 community members. Friends turned this challenge into opportunity, pivoting our programs..

## 1,811

### PANDEMIC POD PROGRAMS

---

Friends found new ways to connect with park visitors, offering a small number of in-person programs for families and many virtual education opportunities.

## COMMUNITY SUPPORT

---

Our donors and grantors supported us through these difficult times with incredible generosity. This allowed us to retain staff, pivot programming, and plan for a COVID-recovering world.
